About us

ALCHEMI-2K20 is One Day National Conference on Energy, Environment, and Waste Management organised by Department of Chemical Engineering, College of Engineering & Technology Akola.

This National Conference “Alchemi-2k20” provide a platform for budding Engineers, Technocrats, Academicians, Industrialists to exchange their knowledge on various research going on in the field of science and engineering . Program will provide the common platform to interact and exchange ideas, experience and contributes to the research knowledge.

This event enhances your leadership and organizational skills through our campus ambassador program. A campus Ambassador is the representative of Alchemi-2k20 in their respective college and his/her responsibility is to connect with the students who are enthusiastic to participate in the event conduct by Department of Chemical Engineering, College of Engineering & Technology, Akola.

Benefits & Awards

- All the Ambassador actively involved in Alchemi-2k20 will be appreciated with Certificate of Appreciation.
- Best college Ambassador will be felicitated with Ambassador of the year for their exceptional work throughout the year.
- Top 3 Ambassador will receive T-shirts of the Alchemi-2k20.
