Note Sheet

Date: - 18/08/2020

Institute has intend to make students employable for which the college has taken efforts to enhance the job prospective of engineering students by imparting various skills based training programs. Since last five years College is regularly conducting face to face CRTP program for the final year students in the campus, so as to make them ready for the jobs. For the session 2020-21 because of Covid- 19 situation, it is proposed to provide the online Campus Recruitment Training Program (CRTP) to the Final year students for 40 hours, the conduction of Training will be only two hours per day to avoid the academic loss of the students. The college has received the proposal from the renowned Training Agency NIIT Limited, a global leader in skill and talent development, offers multi-disciplinary learning management and training delivery solutions to corporation institution and individuals in over 40 countries. NIIT Nagpur Dharampeth Centre has been providing state of the art training and placement to the youth of Central India since 1990.

The charges quoted by agency after negotiation for the said training is Rs. 1350/- per student, the module offered by NIIT to us, which was originally costing Rs.4500/-and it has been specially customized and reduced cost for our College for the batch size of 200 students, i.e. the total amount is of Rs. 270,000/- inclusive of all taxes. We plan to take part payment of Rs. 300/- to Rs.500/- as possible from students, which may reduce the total amount to be paid from College by Rs.60,000/- to Rs.100,000/-. The Total students for CRTP may also be considered to actual count which may be between 150 to 200 students. It has been unanimously decided in the meeting of HOD's that institute should offer above Training to the final year students.

Dear Sir,

We are specially thankful to you sir for allowing to conduct 6-days Industrial Visit/Short Term Training Program (STTP) on "Overview of Unit Operations and Unit Process with Practical Visit" for your students from Chemical Engg. Discipline from your Institute from 06/1/18 to 13/1/18 at Training Centre, RCF Ltd., Thal Unit, Alibag.

We are also thankful to Prof. D.P.Sakarkar and Prof. Wele for their excellent, genuine and fantastic communication and co-ordination in between the students and our organization to give the final shape and making the grand success of this course.

We are also thankful to Prof. Prof. A. P. Gawande sir and Prof. Prof. R. S. Jadhav sir from your Institute for co-ordinating all related activities and accompanying the students and maintaining the discipline and taking the students from Akola to Mumbai CST then to Gateway of India, Mumbai then to RCF Thal Unit then to RCF Training Centre with full control and proper co-ordination.

In above all, we are highly thankful to all the participant students who maintained well discipline in such a big Fertilizer and Chemical Complex Company.

The participants were quite attentive throughout the Programme & participated wholeheartedly and enjoyed lot and we are sure that they will make use of the knowledge and information gained during this Programme in their day-to-day activities and in their upcoming career.

We distributed one course booklet to the co-ordinator and certificate to each and every participant for their future reference.

We have also distributed the feedback form and conducted Quiz for the participants and rewarded the winning team of the students.

We are expecting similar response, co-operation and permission for forthcoming Programmes too on continuous basis for almost all the students as per our convenience.

We are enclosing herewith the GST Invoice cum Receipt for your perusal.

Thanking you,

  
(D.M.Ramteke)
