Note Sheet

Date: - 03/05/2021

To enhance the job prospective of engineering students, it is proposed to provide the Campus Recruitment Training (CRT), which includes the Aptitude, Soft skill and IT Training to third year students of batch 2020-21 for 40 hours (Two Hours per day). The college has tied up with T.I.M.E, Akola for the conduction of said training. The Cost of training after negotiation is Rs. 300/- per student inclusive of all Taxes to 150 students. In view of students attendance for imparting training, it is proposed to take Rs. 150/- per students as their contribution. The training is proposed to be held in between 11/05/2021 to 05/06/2021.

It has been unanimously decided in the meeting of HOD's that institute should go for the offer given by the agency for the conduction of above Training.

Institute has intend to make students employable for which the college has taken efforts to enhance the job prospective of engineering students by imparting various skills based training programs. Since last five years College is regularly conducting face to face CRTP program for the final year students in the campus, so as to make them ready for the jobs. For the session 2020-21 because of Covid- 19 situation, it is proposed to provide the online Campus Recruitment Training Program (CRTP) to the Final year students for 40 hours, the conduction of Training will be only two hours per day to avoid the academic loss of the students. The college has received the proposal from the renowned Training Agency NIIT Limited, a global leader in skill and talent development, offers multi-disciplinary learning management and training delivery solutions to corporation institution and individuals in over 40 countries. NIIT Nagpur Dharampeth Centre has been providing state of the art training and placement to the youth of Central India since 1990.

The charges quoted by agency after negotiation for the said training is Rs. 1350/- per student, the module offered by NIIT to us, which was originally costing Rs.4500/-and it has been specially customized and reduced cost for our College for the batch size of 200 students, i.e. the total amount is of Rs. 270,000/- inclusive of all taxes. We plan to take part payment of Rs. 300/- to Rs.500/- as possible from students, which may reduce the total amount to be paid from College by Rs.60,000/- to Rs.100,000/-. The Total students for CRTP may also be considered to actual count which may be between 150 to 200 students. It has been unanimously decided in the meeting of HOD's that institute should offer above Training to the final year students.

Note Sheet

Date: - 10/09/2019

To enhance the job prospective of engineering students, it is proposed to provide the Aptitude Training to Third & Final year students for 40 hours, only on Saturday and Sunday to avoid the academic loss of the students. The college has tied up with T.I.M.E Akola for the conduction of said training. The charges quoted by agency after negotiation is Rs. 300/- per student for minimum count of 100.

It has been unanimously decided in the meeting of HOD's that institute should go for the conduction of above Training.

Dear Sir,

We are specially thankful to you sir for allowing to conduct 6-days Industrial Visit/Short Term Training Program (STTP) on "Overview of Unit Operations and Unit Process with Practical Visit" for your students from Chemical Engg. Discipline from your Institute from 16/12/19 to 21/12/19 at Training Centre, RCF Ltd., Thal Unit, Alibag.

We are also thankful to Prof. Dr. D.P. Sakarkar for his excellent, genuine and fantastic communication and co-ordination in between the students and our organization to give the final shape and making the grand success of this course.

We are also thankful to Dr. Saurabh S. Tayde and Ms. Swati S. Deshmukh from your Institute for co-ordinating all related activities and accompanying the students and maintaining the discipline and taking the students from Akola to Mumbai CST then to Gateway of India, Mumbai then to RCF Thal Unit then to RCF Training Centre with full control and proper co-ordination.

In above all, we are highly thankful to all the participant students who maintained well discipline in such a big Fertilizer and Chemical Complex Company.

The participants were quite attentive throughout the Programme & participated wholeheartedly and enjoyed lot and we are sure that they will make use of the knowledge and information gained during this Programme in their day-to-day activities and in their upcoming career.

We distributed one course booklet to the co-ordinator and certificate to each and every participant for their future reference.

We have also distributed the feedback form and conducted Quiz for the participants and rewarded the winning team of the students.

We are expecting similar response, co-operation and permission for forthcoming Programmes too on continuous basis for almost all the students as per our convenience.

We are enclosing herewith the GST Invoice cum Receipt for your perusal.

Thanking you,

## IN QUEST 2019

The School of Architecture, COET, Akola in collaboration with Indian Institute of Architects Akola Centre (IIA, Akola) jointly organized the Three day Design Competition at Atelier Studio, SOA, COET Akola on dated 10<sup>th</sup> & 12<sup>th</sup> Jan. 2019.

The themes for the competitions were as follows;

- Ghost house- a dwelling for the afterlife for B.Arch. 1<sup>st</sup> & 2<sup>nd</sup> yr. students
- Water Conservation- Architecture as an instrument for sensitization for 3<sup>rd</sup> & 4<sup>th</sup> year students
- Space exploration center at Lonar for 5<sup>th</sup> year students.

The design competition was organized with following objectives

- To encourage creative expression
- Fundamental concept formation & intuitive solutions

Design brief & design evolution was made by Ar. Manish Banker & Ar. Shailesh Untwale, TAO Architects, Pune. Common judging criterias were set for evaluation. The total 16 competition entries were received from School of Architecture & P. R. Patil COA, Amravati.

On 13<sup>th</sup> Jan 2019, Sunday winning team of Students were visited Lonar along with Ar. Manish Banker & Ar. Shailesh Untwale with IIA members to see heritage site & world famous Lonar Crater.

Note sheet

To enhance the job prospective of Mechanical Engineering students, it is essential to provide the training of specialized technological advanced courses. In view of this for the Final Year Mechanical students of 2017-18 batch, we have contacted with the training agency M/S, Digital PLM Nagpur for Software -AutoCAD;Creo(PRO/E);Ansys Workbench.

Digital PLM, Nagpur has submitted their quotation on dated 21/09/2017. We discussed in brief with the representative of company about the said training module and as per the discussion, it is proposed to provide the above training module of 80 hours in 10 to 15 working days with minimum 6 hours per day. The commercials are Rs. 6500/- per students with batch of 24 numbers of students. The other terms and conditions will be as per the quotation.

It has been unanimously decided in the meeting of HOD's that institute should offer Technological training to final year Mechanical students for creating more job opportunities.

Dear Sir,

We are specially thankful to you sir for allowing to conduct 6-days Industrial Visit/Short Term Training Program (STTP) on "Overview of Unit Operations and Unit Process with Practical Visit" for your students from Chemical Engg. Discipline from your Institute from 17/12/18 to 22/12/18 at Training Centre, RCF Ltd., Thal Unit, Alibag.

We are also thankful to Prof. Dr. D.P.Sakarkar and Prof. Dr. S.N. Nemade for their excellent, genuine and fantastic communication and co-ordination in between the students and our organization to give the final shape and making the grand success of this course.

We are also thankful to Dr. D.P.Sakarkar & Dr. S.N. Nemade from your Institute for co-ordinating all related activities and accompanying the students and maintaining the discipline and taking the students from Akola to Mumbai CST then to Gateway of India, Mumbai then to RCF Thal Unit then to RCF Training Centre with full control and proper co-ordination.

In above all, we are highly thankful to all the participant students who maintained well discipline in such a big Fertilizer and Chemical Complex Company.

The participants were quite attentive throughout the Programme & participated wholeheartedly and enjoyed lot and we are sure that they will make use of the knowledge and information gained during this Programme in their day-to-day activities and in their upcoming career.

We distributed one course booklet to the co-ordinator and certificate to each and every participant for their future reference.

We have also distributed the feedback form and conducted Quiz for the participants and rewarded the winning team of the students.

We are expecting similar response, co-operation and permission for forthcoming Programmes too on continuous basis for almost all the students as per our convenience.

We are enclosing herewith the GST Invoice cum Receipt for your perusal.  
Thanking you.

Jadhav sir from your Institute for co-ordinating all related activities and accompanying the students and maintaining the discipline and taking the students from Akola to Mumbai CST then to Gateway of India, Mumbai then to RCF Thal Unit then to RCF Training Centre with full control and proper co-ordination.

In above all, we are highly thankful to all the participant students who maintained well discipline in such a big Fertilizer and Chemical Complex Company.

The participants were quite attentive throughout the Programme & participated wholeheartedly and enjoyed lot and we are sure that they will make use of the knowledge and information gained during this Programme in their day-to-day activities and in their upcoming career.

We distributed one course booklet to the co-ordinator and certificate to each and every participant for their future reference.

We have also distributed the feedback form and conducted Quiz for the participants and rewarded the winning team of the students.

We are expecting similar response, co-operation and permission for forthcoming Programmes too on continuous basis for almost all the students as per our convenience.

We are enclosing herewith the GST Invoice cum Receipt for your perusal.

Thanking you,
