#### MECHANISM FOR INSTITUTE LEVEL ADMISSION

Shri Shivaji Education Society was founded by a great philanthropist of vidharbha region shikshan maharshi, Krishi ratna Dr. Panjabrao Alias Bhausaheb Deshmukh. He was minister for Agriculture, Govt of India.

He had laid a firm foundation for the dissemination of Education among the downtrodden and economical weaker students . He knew that prosperity would come only when the weapon of knowledge becomes available to all. For this sole purpose he made a small beginning with the establishment of the" **Shri Shivaji Education Society"** at Amravati in 1932.

The society began with just one school and one hostel, but today it has grown into the biggest education organisation in vidharbha region in Maharashtra. It runs 307 Educational institutions ranging from pre primary to post graduate colleges covering almost all fields of formal and informal education. Arts, Agriculture, Biotechnology, Commerce, Computer Education, Engineering and Technology, Fine Arts, Horticulture, Law, Medicine, Physical Education and a host of related fields.

#### THE VISION OF SOCIETY

To use Education as tool of Social Transformation and to spread it amongst that section of the populace deprived of it during the preceding centuries and to Equip them to participate in the national building activity with a view **to promote their Individual, Social and National growth.** 

#### **OBJECTIVES OF THE SOCIETY**

- **1.** TO Establish, Conduct, Manage, Supervise and take over Educational Institutions of various kinds for boys, girls and Adults.
- **2.** To Provide facilities for the Acquisition of Knowledge and Information and the Advancement of Culture.
- **3.** To Undertake make available Facilities for research in all branches of Knowledge and to **Establish Institutions for the purpose.**

College of Engineering and Technology, Akola is central India's premier multi Disciplinary Engineering Institute engaged in Educational, Applied, Research, Training, and Consultancy services which Focuses clearly on Engineering Education at Under Graduate level. **College of Engineering and Technology, Akola was established in 1983** and is affiliated to Sant Gadge baba Amravati University, Amravati. It is by the government of Maharashtra and the all India Council for Technical Education, New Delhi and Council of Architecture. The

College is situated in quite and peaceful part of city with a teaching and learning Environment.

The College has offered two types of major Scholarship for the Students. **TFWS and Dr.Panjabrao Deshmukh Scholarship.** These two and other Scholarship are given to the Economically Weaker and Backward students. The Mechanism for deciding the Students are first Chairman of Admission Committee call the Applications from needy students it is to be properly scrutinised by the Admission committee members after that the list is placed in staff council meeting or approval and to decide the amount. # Proposal for Admissions against CAP in (a) 1st year at institute level for session 2019-20

At the present admissions in 1st year in Engineering are 157 as against 300, whereas in Architecture 17 as against 40 seats are filled. The situation of admissions is worst in the entire state and every year admissions are reduced due to student's interest diverted to pharmacy & agriculture courses. If we admit students at institute evel students will not get scholarship benefit & it is very difficult for the students to pay 100% fees due to most of the students having poor financial condition. In view of this it proposed to give admission to the students against CAP in the first year and those students who are eligible for scholarship like OBC, EBC, SC/ST etc. as per Govt. rules will be given concession / scholarship fixed amount of Rs.22,500/- every year during their tenure of 4 years. Last year we have admitted 28 students by giving such concession. Taking advantage of this opportunity given by our management we could manage to add 15 admissions giving concession as mentioned above. List of students is enclosed for approval.
