

To,

The Principal

College of Engineering & Technology, Akola

Babhulgaon (Jh) N.H. No-6, Nagpur Road

Akola, Maharashtra 444104, India

May 9, 2025

Sir,

We have great pleasure in informing you that Anderson University has principally accepted your proposal to impart knowledge to the students of College of Engineering & technology, Akola as per the curriculum of Shreeroopam Projects of Mr. Vedant Ahluwalia. In addition to this curriculum we will be providing lectures from our Anderson University faculty.

We hope that this strategic partnership will make students at your college well versed with knowledge of Artificial Intelligence, equipping them to be effective contributors in their communities and professions.

Looking forward to our fruitful cooperation,

Prof. Jeffrey Moore, PhD

Anderson University, College of Business and Economics

316 Blvd Ave, Anderson SC 29621, USA
