Subject: -Plan of activities by Institute Innovation center.

In view of overall development of the academics and providing a creative and innovative platform to our students to improve quality, ability of students the Institute Innovative center has planned some activities that every department should follow with respect to NBA and NAAC.

1. Every department should compulsorily take the projects of students either multidisciplinary joint project with Industry/ Institute joint project.
2. Every department should present at least 2 best projects of their students in Institute Innovative center every year.
3. Institute Innovation Center **organize Interdepartmental project competition at college level every year in the month of February.**
4. This year Institute Innovative center has planned to **organize state level project competition** most probably in the month of September 2024 so, every department should prepare at least 4 best projects for this competition.
5. Innovation center will arrange expert lecture by interested teaching faculty of the institute on every Saturday for college teachers. Interested teacher should submit their name to **Dr. Rashmi Taley** along with topic. The schedule for the same will be displayed in the first week of every month. The appreciation letter will be issued to the expert teacher.
6. Innovation center has planned to organize at least three expert talks in every session on emerging technologies by eminent speakers for teaching faculties. **Prof. Rutuja S. Deshmukh** will be in charge for this activity. The team of innovation center team members should support Prof. Rutuja for identifying and finalizing the experts.
7. Innovation center has planned to organize at least two lectures in every session on Patenting by patent experts for teaching faculties. **Prof. Kalyani Barabde** will be in charge for this activity. The team of innovation center team members should support Prof. Kalyani for identifying and finalizing the experts.
8. Dr. **D.V. Wele** and Prof. Watile and Prof. J.G. Ingole will look overall coordination of activities under Innovation center and also will look after innovative projects likely to be converted to startups. Department should keep connected with Dr.D.V. Wele in case they have such idea and proposal be sent for financial assistance.

It is expected that departments should implement immediately first two points related to student's project and expect active participation of all the departments in remaining issues.

Regular follow up and interaction will be maintained with the department.
